I have some questions regarding our request I'd like to discuss before I edit the document. Can one of you three give me a call when you get in this morning to discuss? I'm in the office at 6-0570.

Thanks,

Gary

Gary, Krista, Rob,

I am sending the attached AEC data request memo in edit form.

I will also attach Rob's suggested examples, with the caveat that I have asked him to edit the Station Table page to clarify Columns H and I re Group 1 and Group 2 Parameter lists.

Thanks for your additional edits to all these documents. Its best to edit and if necessary provide comments, rather than just commenting without editing.

grazie
